

## Sunday School UK Course Outline

### Science - Chemistry

#### Units

#### Topics

Atomic Structure  
& the Periodic Table

Atoms, Elements,  
Compounds, Periodic  
Table, Separation  
Techniques

Chemical Changes

Acids, Alkalis,  
Bases, Metals &  
Their Reactivity,  
Redox Reactions,  
Electrolysis

Chemistry of the  
Atmosphere

Evolution of the  
Atmosphere, Climate  
Change - Greenhouse  
Gases, Carbon  
Footprints, Air  
Pollution
